Collège Des Ingénieurs Italia (CDI Italia) is an independent institution of excellence for post-graduate management education that is dedicated towards accelerating the development of managerial, entrepreneurial and value creation skills in future leaders.

CDI Italia was founded in 2009 by **Fondazione Agnelli, Fondazione Pirelli & Fondazione Garrone** and is part of the CDI European network together with CDI France & Germany.

Key Aspects of CDI MBA:

- **Learning through Action:** An industrial MBA of 10 months wherein a part of it is spent in classes between Turin, Paris, Munich and Geneva and the rest in partner companies for action learning.
- **Completely Sponsored:** CDI MBA is **fully free (100%) with NO tuition fees; furthermore** participants are retributed for their time spent as junior consultants at **our partner companies** and travel cost to our abroad locations are reimbursed.
- **World Class Faculty:** The MBA faculty comprises professors coming from **prestigious**
